Friends and I
Fujimoto-sensei!
Can I bring
last year's club maga-zine home?
Eh?
Since I joined the Manga Research club I probably should read and learn from the seniors' works.
Oh... Ah, that's fine.
In that case
I'll take my leave for the day.

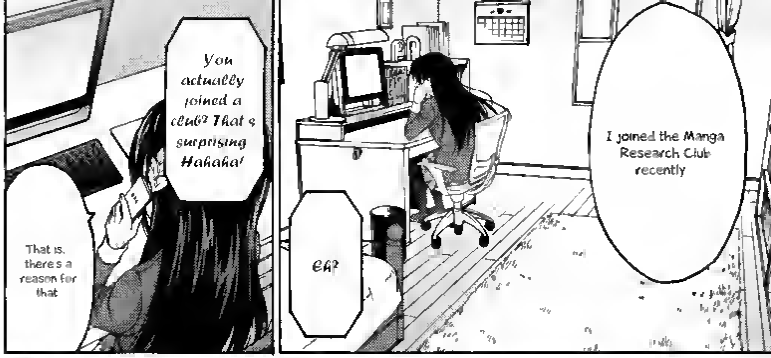
STAGE.4
Friends and I



I joined the Manga Research Club recently
EH?
You actually joined a club? That's surprising Hahaha!
That is, there's a reason for that

Ah I hope that you don't get affected by that
I have high hopes for you
Oh and

have you read the manga
I recommended to you previously by Hirano san?

Hirano's work is similar to your NAME
I think you can use it as a reference.
What a pity
That's
they don't sell it in stores around here.
